I, _____ understand that placement of all temporary signage cannot be placed on public property, utility poles, telephone poles, Village right-of-way, or placed in any such way as to obscure the vision of oncoming traffic. I understand that improper placement of signs will place me in direct violation of Village Zoning Ordinance #231, Section 94-350 "SIGNS", and may result in removal of said signs, by the Village. I have read the attached temporary signs section of the ordinance and will comply with its requirements. I, further recognize the Village of Milford's right to rescind this approval immediately upon the wishes of the Administration.

(h) Temporary signs. The following temporary signs are permitted, subject to the conditions specified in this subsection:

- (1) Nonilluminated temporary signs promoting political parties, candidates, or proposals, so long as such signs are removed within three days after the completion of election activities. Signs in place beyond three days are declared to be a nuisance. Signs in residential areas shall not exceed six square feet. Signs in nonresidential districts shall not exceed 32 square feet.
- (2) Special decorative displays or signs used for holidays, public announcements or promotion of civic welfare or charitable purposes when not used for a commercial purpose when authorized by the village zoning administrator. In considering such authorization, the village shall consider the following standards:
 - a. The size, character, and nature of the display or sign shall consider the proposed site of display for proper scale and relationship with the site and adjoining properties.
 - b. The duration or time period during which the display or sign will be utilized shall coincide with the purpose for which it was approved.
 - c. The purpose for which the sign display is to be erected.
 - d. The arrangements made for the removal of the sign or display after the termination of its usefulness.
 - e. The effect of the proposed sign or display on light and air circulation for lots which are both adjoining and in the surrounding neighborhood of the proposed sign or display.
 - f. Whether or not the sign or display will constitute a traffic hazard.
- (3) Construction signs showing names of building contractors, professional firms, and lending institutions on sites under construction, not to exceed 20 square feet in area and four feet in height and not located nearer than ten feet to a public right-of-way. The sign shall be confined to the site of the construction, construction shed, or trailer and shall be removed within 14 days of the beginning of the use of the project.
- (4) Illuminated portable signs for up to four special events per year, such as grand openings, fairs and festivals, and announcements of new products, service or management, and including the event period, provided the following conditions are met:
 - a. Such signs do not exceed 20 square feet in area on any side.
 - b. Such signs are not located closer than ten feet to a street right-of-way.
 - c. No portable sign shall exceed ten feet in height.
 - d. No portable sign shall be located in such a manner as to interfere with vehicular or pedestrian traffic flow or visibility.
 - e. Portable signs shall be limited to 14 days per event period.
 - f. Prior to the establishment of a portable sign, an application for a permit shall be filed, accompanied by any requisite processing fees which may be established by village council resolution, with the village zoning administrator.

(i) Prohibited signs. The following signs are expressly prohibited:

- (1) Canopy signs.
- (2) Inflatable signs.
- (3) Signs which incorporate in any manner, or are illuminated by, any flashing or moving lights other than for the conveyance of noncommercial information which requires periodic change, such as temperature, stock averages, time, and date.
- (4) Exterior banners, pennants, spinners, balloons and streamers other than a sign
